Hi to see. I've asked [Redacted] to send up debate briefing to Cab Sec this morning. Not sure who is in but wonder if [Redacted] might pull together very short contribution for briefing on news xchange and FM pulling out?

Thanks, [Redacted]

The lines are just FM's tweets. We found out late in the week Steve Bannon was due to appear and therefore took the decision to pull FM.

Katy and [Redacted]

Could you forward over any press lines issued on FM pulling out of the News Xchange event, so we can slot into Hyslop's screen debate briefing this morning?
